

NORTHERN CALIFORNIA CLOGGERS ASSOCIATION, INC.

WHAT IS N.C.C.A.?

The Northern California Cloggers Association was formed in March 1982 to promote communication among all clogging groups in Northern California and neighboring states. The Association sponsors workshops and dances, seminars for instructors and clogging leaders, and puts on an annual 2-day convention in the spring of each year. The Association's award-winning newsletter, the *Clog-A-Gram*, is published quarterly and includes the minutes of each quarterly membership meeting, club news, the *Teachers' Forum Notes*, a directory of clogging instructors and resources, upcoming events, and may also include articles on clogging, cue sheets to clogging dances, information on clogging in other areas, useful tips, and more. Membership in the Association is open to anyone with an interest in clogging, however, members under 18 are not voting members.
